Planning a Home Improvement?

Remember that exterior home improvement projects may require you to submit an Architectural Request and receive Board approval prior to starting work. Please refer to your community's governing documents or call DNI Properties to verify if you need to submit an Architectural Request. If required, this form can be downloaded from DNI's website by clicking the "Homeowners" tab on the homepage and selecting the "Download Forms" option from the dropdown menu; or can be obtained by contacting a member of your community management team.
